

RESTRICTIONS IN EFFECT

The SOPFEU regularly issues fire situation reports regarding fire danger, active fires, and resources that it is currently deploying. Restrictions in effect concern access to the forest, circulating in the forest, making fires in the forest, preventive measures during forestry operations, and the suspension or cancellation of industrial burning permits.

INDUSTRY

Restriction des travaux en forêt: Élargissement à l'ensemble du territoire forestier québécois, 24 h sur 24 h

Émis le Wednesday 31 May 2023 à 20:08 / Toutes les régions
