Petition Text:

**WHEREAS** negotiations between the Government of Québec and the physicians' federations have failed regarding Bill No. 106;

**WHEREAS** the Minister of Health refused to use an independent arbitrator, as requested by the FMSQ and the FMOQ, during negotiations concerning Bill No. 106;

**WHEREAS** on October 25, 2025, Bill No. 2, entitled *"An Act mainly to establish collective responsibility for improving access to medical services and to ensure the continuity of the provision of these services"*, was adopted;

**WHEREAS** the special legislation was adopted under closure, without any consultation process with the parties concerned;

**WHEREAS** Bill No. 2 suspends the renewal of the physicians' framework agreement and the overall physicians' remuneration envelope until 2028;

**WHEREAS** Bill No. 2 provides for fines and sanctions against physicians, representative physician groups, their directors, employees or representatives, universities with a faculty of medicine, as well as university directors and representatives involved in collective actions;

**WHEREAS** Bill No. 2 imposes unrealistic performance targets that jeopardize the quality of care;

**We, the undersigned,** call on the Government of Québec to immediately repeal *An Act mainly to establish collective responsibility for improving access to medical services and to ensure the continuity of the provision of these services*, adopted without adequate consultation.

Signing deadline: **December 9, 2025**
